

American Sign Language Interpreter Technical Specialist

FEMA is seeking talented men and women who are eager to assist disaster survivors in the role of **American Sign Language Interpreter Technical Specialist**, as a FEMA *Reservist*, in the Disability Integration (DI) unit. *Reservists* are vital employees, to FEMA's disaster workforce, who work on an on-call basis to support disaster survivors when they are most in need.

American Sign Language Interpreter Technical Specialist provides American Sign Language (ASL) interpretation to meet the communications requirements of disaster survivors and the general public throughout emergency operations, programs and services while deployed to disasters and other emergency management events. The salary for this position is \$40.77 per hour.

As an **American Sign Language Interpreter Technical Specialist** in FEMA's Reservist Program, primary position duties include:

- Working collaboratively and providing guidance to Federal Coordinating Officer, Federal Disaster Recovery Coordinator, External Affairs, Disaster Survivor Assistance, Individual Assistance, Recovery and other program areas that interface with the community.
- Providing guidance for State and local governmental agencies to assist with ensuring people with disabilities have equal access to programs and services.
- Providing the Support Services Branch or designee, guidance & technical assistance to establish accessibility at Disaster Recovery Center and other field locations pursuant to established Agency policy guidance.

In the role of **American Sign Language Interpreter Technical Specialist**, in the *Reservist* program, you will receive training, have the opportunity to travel and receive health benefits (when activated to support disaster operations), and build your professional network.

If you are interested in this rewarding opportunity to assist disaster survivors, then apply today! Join our team and use your talent to support Americans in their times of greatest need.
